

ARTHUR J. GOLDBERG

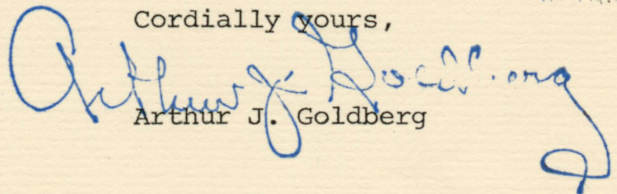

October 3, 1981

My dear Ms. Hohri & Ms. Kobi:

Thank you very much for your letter of September 23 and your more than kind comments concerning my participation in the Commission on Wartime Relocation and Internment of Civilians.

You correctly state, the Commission has decided to hold a hearing in New York in mid-November. This is a decision I sponsored and heartily endorsed. You may be sure that I shall make every effort to participate in the New York hearing and in doing so will bear your suggestions in mind.

Cordially yours,

Arthur J. Goldberg
