Project Director
War Relocation Center
Hunt, Idaho

ATTENTION: Mr. Gerrit Smith, Leave Officer

Dear Sir:

Referring to your letter of the 18th ultimo and my telegraphic reply of the 22nd ultimo it will be appreciated very much if you will advise me when it is expected that GENTARO TAKAHASHI and his wife, IKU TAKAHASHI, will leave for Detroit, Michigan. As stated in my telegram, they should furnish this office several days advance notice as to the time their departure from Hunt, Idaho, the means of travel and the time of arrival at Detroit, Michigan.

I have heard nothing from you since my telegram of the 22nd ultimo and it occurred to me that possibly they had abandoned the idea of moving to Detroit, Michigan.

It will be appreciated very much if you will advise me as to what these aliens intend to do.

Respectfully,

D. W. BREWSTER
District Director
Spokane District
