Regular reports of pupil's work in these grades will be made at the end of each quarter. Special reports will be made at such other times as it may appear best to acquaint the parent with the pupil's progress.

Parents are requested to sign and return this report within three days and to confer with the principal at any time when progress does not appear satisfactory, or with the teachers after the close of school. Parents are requested not to confer with teachers while school is in session.

Parents are also invited to visit the schools.
