

**BARBOUR HALL**  
**JUNIOR MILITARY SCHOOL**

---

**REPORT CARD**

---

To the Parents:

We give two separate reports. The first indicates the standings in the regular studies; the second indicates the standings made by the Cadet in the formation of those essential traits of character and attitudes of mind that make for good citizenship. Since Military Training is one of the chief aims of the school you will be interested in the report of your boy's progress in this field. The scholarship marks show how well your boy is doing in the school subjects in relation to what he is able to do.
