Dear Mr. Domoto:

Your recent letter enclosing a money order for \$10, #732264, to be applied on your sister's account for a pair of shoes and allowance has been received, and we are returning our receipt No. 4903. Also, we have received your cashier's check No. 5375855 for \$120 for Emako's board and medical care from June 1, 1942, to January 1, 1943, and we are returning our receipt No. 90401.

Emako seems to be very happy here on Cottage B. She is very cheerful and assists with all the work. Physically she is quite well.

We have made a note of your new address and will send all correspondence to your new address.

Very sincerely yours,

Margaret Smyth
