Dear Mr. Domoto:

I thank you very much for the flowers you sent to Sacramento. I was there to celebrate anniversary of Mrs. Ware's seventy ninth birthday. The flowers were greatly admired. The roses and Tulips were the finest ever seen there, the Paeonies do not seem to carry well: there may be way to prevent wilting.

I also wish to say the tulips you gave me are showing their blooms: and our garden is gorgeous in bright colors. I am taking a few blossoms at a time to my friends from time to time.

Sincerely yours

K. Nagasawa
