Dear Miss Domoto:

The Riverside Church has recently had the privilege of greeting Sergeant Y. Shibata. We are particularly concerned in these difficult days to be of any service possible to the men in the armed forces of our country, and when they worship here or participate in other activities of the Church, they are asked to register with us and to give us the address of any friend or relative whom we might advise of their visit here. We are writing to you as one to whom we have been thus introduced.

We want you to know of our satisfaction in having had Sergeant Shibata at Riverside and in his friendly attitude that gives us this privilege of advising you that when he was in New York he made this Church a port of call. His name is not only in our registry, but he and his family and friends, as well as his comrades in arms, will be in our prayers until these troubled days are passed.

Cordially yours,
