Hey Kids:—

Jewish Day of atonement
over + \$40 collected on the dot.

All is forgiven — I didn't even
bother to look elsewhere — I think
your guess is like mine — or is
it. So don't worry — take your time
Bit chilly — eh what?

Damn it — the machine (sewing)
went on the blink this AM.

+ I bet we'll have it around
the rest of the week. They were
supposed to come after it today.

Oh yes — such is life —

So Dick don't worry — you won't
be subject to apartment hunting

+ have a good time. Had the Donuts
to food — I found the candy before I
found a lot of other things, was
over!

Wished I could have saved your
mind sooner, but he didn't come
& the ~~pride~~ proud Jap. wasn't going
over because I thought the move
was his. He begs to be forgiven by both
of you - with apologies -
