Dear Miss Tomato,

Since I have come home to stay, I am assured of a merry Christmas. I hope yours is as merry & happy as mine.

I wish to take this time to express my sincere appreciation for all the trouble you went to for me. It was swell to know that someone was doing her utmost to aid me in getting my indefinite leave.

In closing I wish to say "thanks" again & to wish you & yours a very merry Christmas & a bright & happy new year. Sincerely,  
Yuki Matsui
