Hello Yuri -

So you're in Livingston!  
Well, I'm in Tanforan as is every  
other Dame except Tak and Clara.  
But I rarely see the others - most  
of them live on the other side and the  
others are working. I'm working with  
Sammy at our recreational center.  
There was a rumor that Livingston  
region was going to be evacuated,  
too, so I thought I had better  
write & check up on it.

If you move again, please be  
good enough to drop a card  
so that as spread apart as  
we are, we still could keep  
track of each other.

We got our stalls furnished with  
homemade furniture so it's livable  
now. The food has improved from  
the bean diet of the first 2 weeks.  
But the weather is cold - sunny  
but windy. We're certainly getting  
an outdoor tan which will no doubt  
turn brown & black ere long - Love  
May
