

The lagoon and refectory in famous Lincoln Park, Chicago's 1100 acre playground.

Dear Yuri

Dear Yuri,

Reached Antioch

College this morning

The first class of students met me.

All the girls in my hall were

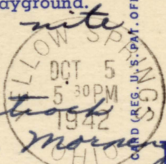

wondering when I would come.

Three of the girls took me out

to the Glen (a forest of 900 acres with the college)

I think I'm going to like it here.

Love, many
