The Twins

Dear Yuki:-

Sorry I did not write to you sooner. We like Denver very much. See ever so many former Granada people on the streets and at the Y.W.C.A. on Thursday night informal dances.

As for our employers, we are working for one of the richest Denver society people. It is a very formal place. There is plenty of work to do.

Hope to see you latter part of January. At that time expect to bring Aiko to Denver.

With love,

Yuki
