*Christmas  
Greetings*

May Christmas and the  
coming year hold much  
happiness in store for you.

Enoch and Margaret Dumas

Dear Yuriko (may I call you that?)

Your lovely "thank you" note has lain on my desk too long waiting for me to respond.

Indeed you didn't make yourself too much at home. We are looking forward to being able to have you again before too very long.

In reply to your father's inquiry, the chrysanthemums were from a flower shop, so I'm quite sure they were greenhouse-grown.

We hope you may have a happy Christmas in this strange new setting for celebrating the advent of the Prince of Peace.

A HALLMARK CARD

Very sincerely yours,  
Margaret Dumas
