Dear Yuri -

Thanks for swell letter -  
makes me feel awfully guilty. Say I  
saw some brown saddles - 2.95 + 3.95  
(black sole) (Red Sole)  
in a small shop. Send Ration ticket +  
size. Can return if unsatisfactory, for  
exchange <sup>but</sup> no refund. Finally got <sup>my</sup> ~~my~~ <sup>mat</sup> ~~mat~~ <sup>trousers</sup>  
cared for - <sup>expect it</sup> about the last week in April.  
Prepaid. Now wished I started a letter -  
open face cause loose face - or Red face.  
Saw M. U. on Thumbnail sketch. Did I  
read correctly as to reference to C.I.  
Oh my If so! Still here, girl coming  
tomorrow, I hope - Happy got notice for  
registration in Business machines Mon.  
Just about right. Hope to have my leaving  
situation in hand by then. more later.  
Sadami's moved to a boarding house - limitation  
of age kept me from joining - Damn it!  
Aileen Yamato came up too. Saw her in  
school today. Not even a happy Birthday  
and I'm truly ashamed. But I do really  
hope this will be a beginning of a nice  
hopeful, happy, harmonious, hilarious + not too  
lecter a year - the same Wak - to you.
