Dear Yuri,

It was a shock to read in the Pioneer that you'd lost your dear father. I am so sorry it had to happen, especially so since you seemed so close to him and must miss him so. Please extend my sympathies to your sisters and brothers.

If you're ever out this

way. be sure to look me up since  
I live only about 8 miles from  
Washington D.C and it's very  
convenient to come out.

Sincerely yours  
Shige Yamasaki
