Dear Uri

I was very pleased to hear from you. I didn't know where you had finally been sent. Yes there are many changes, first of all the name. We are now the Ala Co WELFARE Com. Everyone was pleased with this change in title. Several SW are in the service. The women are ~~of~~ Florence Swan, WAC, Gladys Fitzpatrick, Marine. Several have recently married including Dollye Jones Williams, and latest Sylvia Croten Levy

Bill Rainey is heading intalce. Doris Woodward Kadin went into Probation work etc. The turn over has been great and constant. However we have kept up
