CORRESPONDENCE

ADDRESS

Dear Yuri,  
Finally got your address, but had to come  $\frac{1}{2}$  way across the country to get it. Why, haven't you written? I'm in New York City now, working at St. Vincent's Hospital. Ken took me to dinner the other night & I got your address from him. Margaret came up over the Fourth. Please write soon. Love, Tak.

Miss Yuri Domoto  
32 Braddock Park  
Boston 16, Mass.
