Dear Yuri.

Just awhile ago, your best
letter came. I'm all out of breath.
Whee!

W. K. G. made arrangements for
you to stay with Mrs. Abe (Caucasian
widow) Mrs. Nettie Abe 32 Braddock
Park. Phone: (COM) WITH ^B 493.

The place is about six blocks
away from my place - near
loading house.

I'll be in Providence on
Sunday - invited to the International
Institute Tea. So, on my way home
I'll take the train into Boston which
will get me into South Station

about 9. Have to check on the
train time.

Su, thanks for the letter. I
was worried. ^{OK} now.

Got to send this out fast
to be until Sunday

Rich
