Boston 14, Mass.

Friday - at the  
store.

Honey,

Am taking a moment to sneak a  
kiss on your lips.

Am presently involved in writing a  
letter to Ito so that it can be sent by  
one of Masao's officers who is soon going  
to Tokio.

Enclosed a few "poke" which you may  
need in a hurry.

Lots of love and everything.

Received your two notes yesterday and  
am relieved that D is getting an "obs."  
he needs one for a long time

Am going to the store front and  
welcome a day of happy contacts with my  
good customers

Lots of love again and again and  
more X X X X X f.

Thorndick

P.S. This money has nothing to do with the  
sum I mentioned yesterday
