Dear Yvri -
 Imagine me north of Santa Rosa
 + Petrified Forest. Came up here
 Thurs. leaving Mon. Autumn air
 nice country + restful for an anti-
 social. Don't think a place for a
 single gal during the season
 though - But just what I need now
 will write more later but just a
 line to let you know I'll still
 be in California. Hope everyone
 is fine ^{at home} at school, at work + at
 play. Italian people are managing this
 resort + were good enough to come
 after me at the bus depot 8 miles
 down the lake. Love you
