I send for the Xmas. No need!

Dear Yvonne: Nov 2, 1970

Thank you for your
phone call. probably will
be a big bill. It was nice
to visit & talk as much today.
everyone love in themselves.
It's a sad world but we
still have to go on hope.

They found the world
Flat in the beginning and the
round and now everybody
know it is curved.

I chose a Total odds road
but now with Knowledge and
mastery is okay.

Enclosing California in article
I think I sent the copy to you
before. - Take Care - my best wishes
