Dear Yuri:

Sorry Ingle, Ingle Ingle  
will not be published for  
Christmas 1990. With  
knowledge and foresight  
I had timed everything  
just right as a painful  
disappointment.

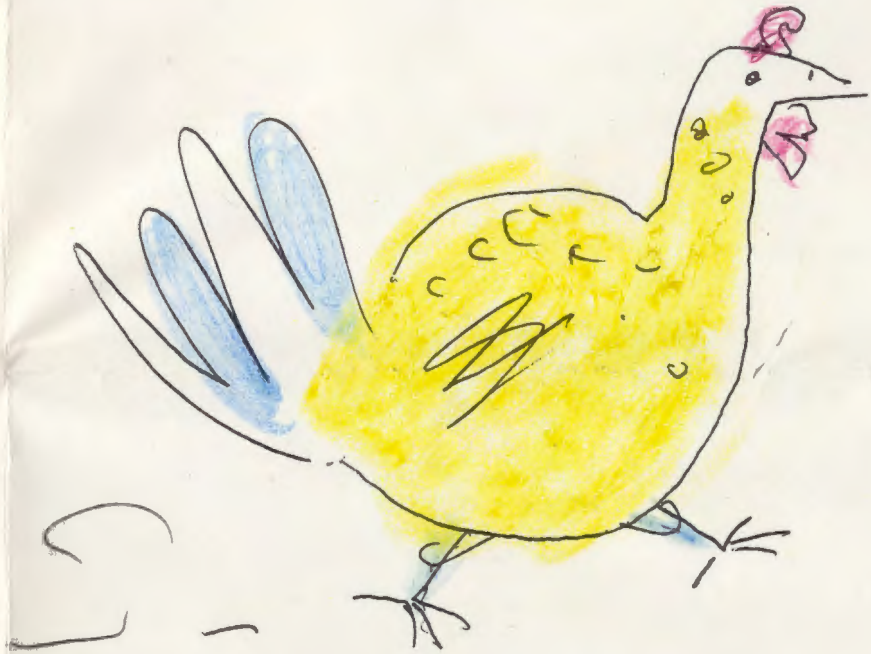

I appreciate your interest  
and kindness in writing  
a letter of commitment for  
orders. It was my last  
attempt to make this work.

Right now <sup>in</sup> I have  
too many obligations but I  
will be sending you something  
to say thank you.

My best

Wm O'Neil

Have a beautiful  
Bird Day!
