Dear Yuri! April 20

How all goes well,
I'm on 24 hour schedule
with so much to do. I
now realize I'm on a
Total odds road and this
is my own challenge to
pick up the pieces and
now a one woman machine

~~of~~ find
to ^a new avenue forward.
My generation gave us
lots of excitement & preparatory
work. a week

Be happy, relaxed
My best
Yours
