**IF YOUR PLANS CHANGE:**

**RESERVED TRAINS**

Tickets **MUST** be reissued if reservations are changed. An additional fare may be required if your revised itinerary no longer qualifies for the fare originally paid.

**UNRESERVED TRAINS**

Your ticket may be used on any unreserved train serving the points shown on your ticket, provided travel on that train and date qualifies for the fare originally paid. If you have questions about your unreserved ticket, please contact Amtrak or your travel agent. Seats cannot be guaranteed on unreserved trains.

**OPEN TICKETS**

If you have purchased an "open" ticket for any segment of your itinerary, for which reservations are required, please be sure to make reservations and have tickets reissued prior to your travel. Additional collection may be required if a fare change has taken place. Be sure to check with Amtrak or your travel agent regarding blackout dates or other conditions applying to the fare paid. Open tickets cannot be issued on All Aboard America Fares or on certain other discount fares.

**SPECIAL FARES**

All tickets issued at a reduced fare, for example, special one-way or round-trip excursion fares, contain certain restrictions which may apply. These restrictions limit travel to certain dates, departure times or duration of stay. Some reduced fares are not available for all seats. Special fare tickets, if partially used, may have limited or no refund value.

**CANCELLATION AND REFUNDS**

Amtrak will refund the unused value of tickets, with the following exceptions. For sleeping accommodations (including Auto Train), if tickets are not cancelled at least 48 hours prior to departure, a substantial penalty will be assessed against the refund due. For Club Service accommodations, if tickets are not cancelled at least one hour prior to departure a penalty of 50 percent of the accommodation charge will be assessed against the refund due. The penalty will not be assessed in the event a passenger chooses to cancel travel on account of the train being delayed two hours or more at the boarding station. Original tickets must be presented for a refund. Most refunds can be handled at Amtrak ticket offices but exceptions do exist; consult Amtrak. Refunds of partially used special fare or excursion fare tickets may be limited. Tickets purchased at a travel agency must *usually* be returned to the agency; however, if a refund is required because of a service disruption or downgrade of sleeping, club or custom class accommodations, Amtrak will process tickets issued by travel agencies. Amtrak will gladly refund your tickets through the mail. Please send original tickets (photocopies not acceptable) to:

Dear <sup>family</sup> ~~family~~!  
 Happy Easter + pasover!

Exhibition beautiful and <sup>a</sup> happy opening in a beautiful place. People came from far and the opening missed the Blizzard of 1993.

I am a wreck unwinding with aches and pains and having to do so much - Thankspas, Photo packets, Tax and Thrift pulc's left undone preparing the show.

The research part is over but the road ahead is a new stage as I see what I'm faced with.

Harvi challenged the odds this far I will fight on.

my best  
 Mimi O'Brien,

Thank you phone call - my life is with a car but I'm glad I took the road.
