it

January 1934

Mon. 1

As usual were at home - not celebrating the new yr. Of course Kan went out but we didn't altho I had an invitation to Furuta's party - Kan didn't go as I didn't. I like Pete - have never since first danced with him -

Not many came today altho' more than you came up. Senda San came.

Too bad Colum. beat Stanford 7-0.

Real rainy like. Enough to eat,  
Pa in bed.

Tues. 2

Not many visitors today.

Ge, I wish Tak were thinner + had a little more personality.

She considers herself so good's

Man lucky to get her but she

sure lucky. And the exercise,

slag of food & laugh!

Made a resolution. To make

noun happiness for Tak! Half body

it already

January 1934

Wed. 3

What a day! In the P.M. -  
lunch at Foster's. To painter. To hills & met  
Noir & May. Suits to talk about pla. - Ee! gosh  
How annoying at times but such is  
the world. - No time to shop but  
went to see Dancing lady with Joe  
Crowford, Clark Gable & Franchot Tone. Oh  
how I love to see her dance. - I love  
to dance! Much more than sports. If I  
only had a chance to take lessons with small  
ballet or two. I'm sure it's in me.

Thurs. 4

Washed my hair & it sure felt dandy.  
Wished Ted would make up  
her mind about a few things.

Pa still in bed. Since Dec. 21 but  
really from 20

— Hope we move from place  
som & maybe to Hayward. - ? a  
chance to stay at school next yr.

January 1934

Fri. 5

With dishes, etc. A.P.I. went by rapidly.  
In P.M. went out to infirmary  
to the printer to read the proof  
for the W.A.A. pamphlet.

At last I got a chance to get  
my expense for last semester caught  
up. Only 108.00. Not bad considering  
my pd. my haircuts & few other things  
from it. Cheap in comparison to  
Stanford 100/quarter + em. board + exp. &  
Mills \$400/yr. tuition only.

Sat. 6

To clean house do not. Not? No! No!  
Went to town to buy some material  
for a dress - red rabbits wool.  
It's going to be cute I think

January 1934

Sun. 7

In spite of my efforts to get up  
early to cut my dress out - was unable.  
Wrote a letter or two. - Kaech + Nooye  
came over. Gee she talks so easily  
has enough money etc. lucky +  
won't know how we have to  
swap together.

Started to look over the possible  
courses for semester. Gosh I guess  
have to have 3 o'clocks. - Altho don't  
like 8, 9, 10, 11 on M.W.F. might so can come home

Mon. 8

Wak + Tok went shopping from 7.M.  
Is cooked for noon. Started cutting my  
dress out. In aft. more Jap. people  
came or phoned so managed to  
get dress cut by time to cook  
supper. Min's bro. + someone else  
came but went since Tok wasn't  
home. Gosh but Roy is different than  
I thought - glasses! "Rambo". Kind of  
hot-type like. Maybe fun to play with  
but not to have.

January 1934

Tues. 9

went out to the infirmary to get my leg  
bandaged in A.M. Sewed on red dress in P.M.  
mended tweed coat in even. Gosh,  
altho' I may be selfish it is sort of  
hard to wear a coat  $4\frac{1}{2}$  yrs. old to  
school but it looks better than my  
joke coat already  $3\frac{1}{2}$  yrs. old. Gosh if I  
only had \$25.00. Cheryl is having  
a contest & may enter in it. Even if  
John is getting married it seems that  
I deserve to look atleast presentable.

Wed. 10

January 1934

Sat. 27 I got married today to  
Norman Minora Kishi at  
Livingston. We drove down with  
Mr. Shibuya. What a day

Sun. 28

January 1934

Mon. 29

Tues. 30

August 1934

Fri. 31

Sat. 1 September

Sept. 8 - I hunted for my diary for I'm so filled with heavy thoughts that I must pour them out to some-one.

Sept. 1. Yoshi - saw quit & went to her 'lounge' bag? Gee how I wished she had stayed until I was at least out of school for it makes it so much harder for work & of course me too.

Although it is already 11:30 p.m. & Sat. tomorrow I have a class I

September 1934

No studying done  
went to Betty's.

Sun. 2

must continue. I feel so tired and worn out. My eyes hurt me & I haven't had a bit of studying done.

Oh, gosh this J.W.S.C. is taking so much of my time & I'm afraid I'm making a muddle of things though I am I know quite capable but when one is tired one just can't do one's best.

This business of sponsoring things with the men has got me down. I did as want to

Mon. 3

be friendly with Harry & if possible go out to a show or so with some of the boys as some of the others do but go he became so nasty & I sarcastic he wouldn't even look at me today. I think he is awfully hateful but I do want a companion.

Ken is swell as a brother but oh he seems to me so

September 1934

Tues. 4

impossible at times. He's always  
telling me to bid him I must but  
it hasn't gotten me anywhere

I noticed that Wade was  
extremely tired tonight. How I  
wished I had already finished  
my dress. She's a peach! She  
does an awful lot for us all too.  
I love her so much as I do  
everyone it seems except K.H.V.E.

I wished she'd tell me what

Wed. 5

her plan around the  
house is in order that I may  
help her more.

After I catch up on me I'll  
really be able to I think. As much  
as I'd love to get a 2.2. average  
this year, I guess I won't. It  
must be grand to have almost  
everyone worried about you.  
I try so hard to get up early to  
get the breakfasts & I can't  
possibly get home to cook but

September 1934

Thurs. 6

usually wash them. After that I  
have almost no energy left & I'm  
20 tired!!

Tonight I feel like just crying from  
exhaustion & everything. I tried &  
yet can't do anything.

Nawen't got only important  
I'm falling asleep without getting  
my Ed. V. 67 paper finished! And  
tomorrow is still school.

Oh, gee I wanted I had

Fri. 7

just one few  
goodnight dear diary I feel  
like crying!
