Memorandum

Feb. 18, 1943

To: Mr. John J. O. Moore, Counselor  
From: T. Read Hanson  
Subject: Public Assistance Grants

In line with our conversation yesterday morning, I am again bringing up the subject which we have discussed on previous occasions, namely, that this office needs at least twenty-four hours, from the time of arrival here, in which to process Public Assistance Grant Vouchers.

In the event of an emergency, we shall cooperate and attempt to expedite the processing of the vouchers at a time shorter than from that mentioned.

May we have your usual cooperation.

3/18 / 43 = 72 hrs.
