

Emotional Qualities

are aggressive & submissive

Vanity
Jeal.
Envy
Hate
Greed.

} aggressive tendencies vs. society, other indiv. & at times vs. self.

Person is maladjusted.

How much? & to whom?

adjusted self to what they think is a good life.

Non-Aggressive or Submissive Attitudes.

Submissiveness - most imp.

only privately is sphere within self.

Isolation makes Soc. at congr. = vs. family, A.P.

Psychiatry has come to be a baggy to the child which is - correct.

The wall should be broken

Psychologists - traps us into saying what as long as they know that it isn't being used vs. them.

the only refuge = our mind.

The return to the traditional way of doing it

a good way of getting round the boat

Older people continue to return to it. -

∴ getting more of.

The forces did it

were just in submissive way due to move & to get back of

Still making discrimination vs. the chr., pig

way in which the A.P. were discriminated vs. by the J. -

Anxiety = 7

Remembrance of things in the past. + - danger sign
To understand.

U.S. group: - discussing exploits in A.

Partly juggling
Bing's cards!

many children go through shop-lifting stage
for possessions & security

Could change the memory

Prognosis of consistent + without a bit of future

Great deal of rationalization.
Don't want to return to Calif.

Boys - Army Age - Sexual.
some marital relationships here.
No way to sublimate these desires here.
Bored at home

Timidity - afraid to do things.

(Cushman - He who says out)
Emotionally no leg to stand on & out.

If pushed out - if fails, there is a rational excuse
for was not prepared for it.

Fair - headedness.

If succeeded - unprepared, etc - I did it, I was
did it without ^{help of} ~~aid~~ of the family.

Are not emotionally prepared to leave
Culturally, yes.
We all "come back home".

Educ. opposites.

Put them here - hold them down.
+ be push out.
beyond the fears.

Emotional re: draft: fear
outside community, yes
Out to die - emotionally stronger.

Dr. Cushman - business.

Sign of fear
Not socially as
high class = a detour.
Outside - will usually pick up.

Ullrich - nervous to go out.

Delirious - way 'round it

Another Ullrich = self need

Massachusetts }
Sheepskins }
Ullrich }
} par - psychological.

State of suspended animation. - see for himself what he needs

2. Aggressive Emotions

1. Vanity.

Culturally vanity is unpleasant to recognize
Refuse to recognize pride
Abound tho' it is Oriental culture.

Example: Look Switers

Potentially menace

Proud of themselves

" of ability

Know good athletes

Nice looking clothes: do it to attract attention

Are very insecure: no love,

Have faith in own group = security

Identify themselves a just - suit

Look - S. is not acceptable

Rapidly becoming anti - social.

Exercise rules: part of the idealism

Total lack of consciousness of social phrases

to be by
Truth

} own group
Not of the social group.

Unwilling to recognize legends, etc.

When acceptable to society, it is ambition

" it leads to anti-social living, it is
dangerous.

Cultural

Recog. but

One major reason for misunderstanding

Excessive vanity is dangerous.

Not like an auto - intrusion

more to work = need for it

auto - intrusion ~~is~~ anti - social

2. - Jealousy

Abandoning of others' property, recreation
leads to low evaluation of others

or

3. Avarice - greed & desire for things to get.

4. Hate - body's need ~~vs~~ vs. man's needs.

Mr. George.

- 1). Don't interpose for them - let them speak for themselves
- 2).

3) Depend on purpose
Power for use for his exclusive benefit
Desire for dependency - for magical force - must
cling to something

4. Relocation

Excuses + no rationalization

Don't appear to have no benefit to the

is lack of trust in anyone

Can't delegate authority - afraid its booming

Physically - no.

Mentally - want to control

The family is closer + further away than
ever before

No way of belonging to.

Doesn't understand parent's lack of faith

child here not able to do what = father too big
going to show

Culturally - guests to decide

"Night Club" = sin connotation.

quiet feeling - which they enjoy.

Very

Person's Criticism

1). Some of visual Case = servants to J.

Competitive Society:

From God to "public servant."

- a) - Refused to be "go-head" type of situation - have to
be going more + more pious.
Group themselves is separate
had to be come self-reliant.

Must watch out. -

- b) - wanting to be looked
up to; wealth, prestige, etc

2) Aggressiveness vs. submissiveness
Baracks as home. - property identification
"my"
