Dear Dr. Ishimaru:

The report is late but the questionnaires were just returned only a few days ago. We hope that it is satisfactory and that the delay has not inconvenienced you too greatly. Five copies are being sent to you; one was given to Mr. John J. O. Moore of the Public Welfare Division; and, one I kept. The original questionnaire sheets will be sent to you if you would like to keep them on file.

Our best wishes and thanks to you for all the time and effort you are devoting in behalf of the evacuees and internees.

Yours truly,

Yuri Domoto
