Hi Sweet Heart.

How are you? Still all night but came back from first days work. Think I can get 45 a week but not quite sure. Any way it is going to be week or ten days job so I don't care much. I am too slow on pressing lady's clothes. Going to work on men's stuff to-morrow. Found that I don't have the rack of steaming which cuts down my speed. Will Press woollens for while and catch up with it. Learn a little every day but not too hot. Guess I am lost without you. I don't know about you now. What do you say. - love some. Not trying to make you feel

bad but that is the truth.
What do you say would you
want to come to Denver
and live? or stay there?

Don't make much deference
to me where I ~~to~~ go. long
as I am out of the group.

I had one H. of a time with
man power committee. so I
can't stay on this job too
long. I will have to get
in defence plant where I
am frozen. I guess soon as
the form opens more better
to get in the form.

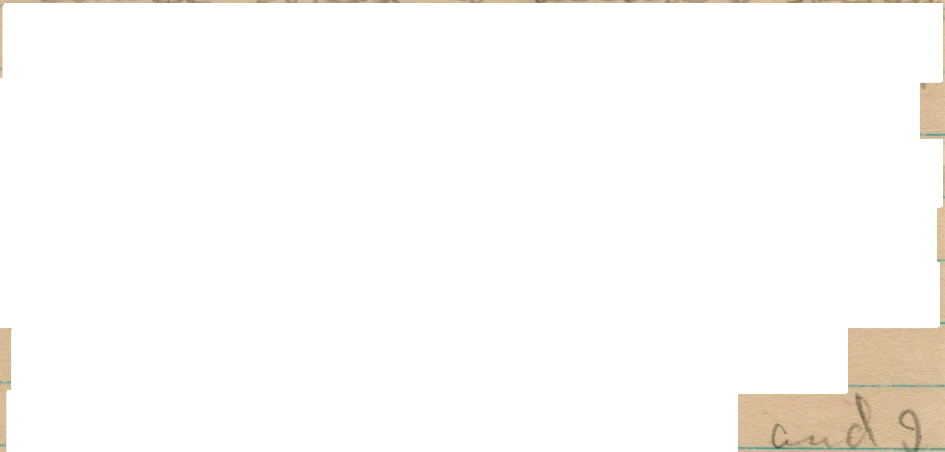

By the way how about
paying 2 months rent if
you decide to stay for a while
far as I am concern I
don't care about large city
It makes me mad to see

all these Yaps + Whites making
all kinds of money + I can't
go back to operate the plant
on account of my draft. While
I was in camp every body
all most made ~~it~~ me believe
that the war is going to end
in few months. Who knows
but I can't think that way.

Yes the days go by fast
in a way and slow ~~in~~ the
other way. do you know that
I never felt this way before.
I am learning to appreciate
your love and home cooking
Eating out isn't much fun
Same old taste and no change
I am getting stingy every
day. So I have to do some
thing. Bring you here or
go back to you

But the problem we are
going to face here is
housing and I don't mean
maybe —. In the other hand
what is the use rushing —
If we can save a little on
the farm we might be better
off when we don't know any
one here. And I am
not sure that the Pacific
is going to decide some things
within a few months and
I don't think I'll be here when
it Pops. Hell I don't know
what I am writing but don't
get things wrong and start
worrying because I am safe
and sound. Get one heat
from you soon. Write to
Kiki's old address at 528 Race St
I guess I never told you but

she quit the cleaners and
came back to Denver because

and I

don't blame her in a way.
She is getting \$70 a month
now, so that isn't too bad
but she is paying ^{\$5⁰⁰} a month
in come tax so what do you
know. Mike just phoned and
says she can have the
evening off so I am going
to ~~meet~~ treat her to Chinese
mushie to-morrow night +
visit Oka-sun - some body
new. Phil

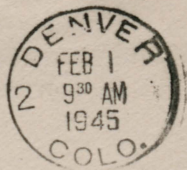

Coat up and don't let
the baby catch cold.

AFTER 5 DAYS, RETURN TO
