

Dear wife

1-4-10pm

Just got back from Boulder
talked with ^{my} brother-in-law

He says if I want a job teaching Japanese he will get me the job. Niki + Ayako wants me to teach but I don't feel like it now. The say it pays \$600⁰⁰ a year. and draft deferable. Told them that if I get my 1-7 I will come but not until then. And told them my draft status I don't want to be tied down for a while yet. What do you think about it? Do you think I should take the job? we will take it over when I get home.

Ayoko now is big now
I asked her what she got there
then she says when are you
going to get a baby. She asked
me how you were & I told her
you weight 13 lb Then she
was asking you are not expect-
ing by any chance are you?

Killed a hold day in Boulder
sitting around the house. Got to
the town 11 AM. left 6 PM.
It is a hour & half ride
It is a quiet college town
getting sleepy better go to bed
& dream of my sweet heart
Good Night
Shirley
