

Wed 11:15 A.M.

Dearest Phil,

This is my eighth letter to you Honey. Hope you have been getting them O.K.

Just received your letter this morning telling about your visit to Ayako. What do you think about the teaching job? Think you can make it. It would be fine with me if you think you can make a go of it.

Don't know what might have turned up in the meantime. Do you think you might

want to work in Denver
a while longer. What
is this about the War
Manpower Commission not
letting you take a cleaning
job?

If you want to
stay a while longer -
don't let me stop you.
I'm getting along fine -
just a little lonesome
that's all. My last
letter I sent to the
hotel - hope you got it O.K.
Guess I was a little
blue and wished so
that you were home!
Alice Kawada is
going to Tule to visit
soon. Frank Hayashida
is going to recruit
labor - so Alice is going

to see her Mother + Charlie's folks - To see if they can return to Calif. Charlie hasn't come home yet.

There is no work here at the present time. Jim is still helping Deane's fix up the house. Rod has moved over now. They are making a septic tank and going to have an indoor bathroom.

It is drizzling here today. Hope this reaches you before you return.

B.L. What shall I do about the rent? Let me know if you don't come home by the 13th. Lovingly Aya
