GO FOR BROKE

Message from our president

ALOHA:

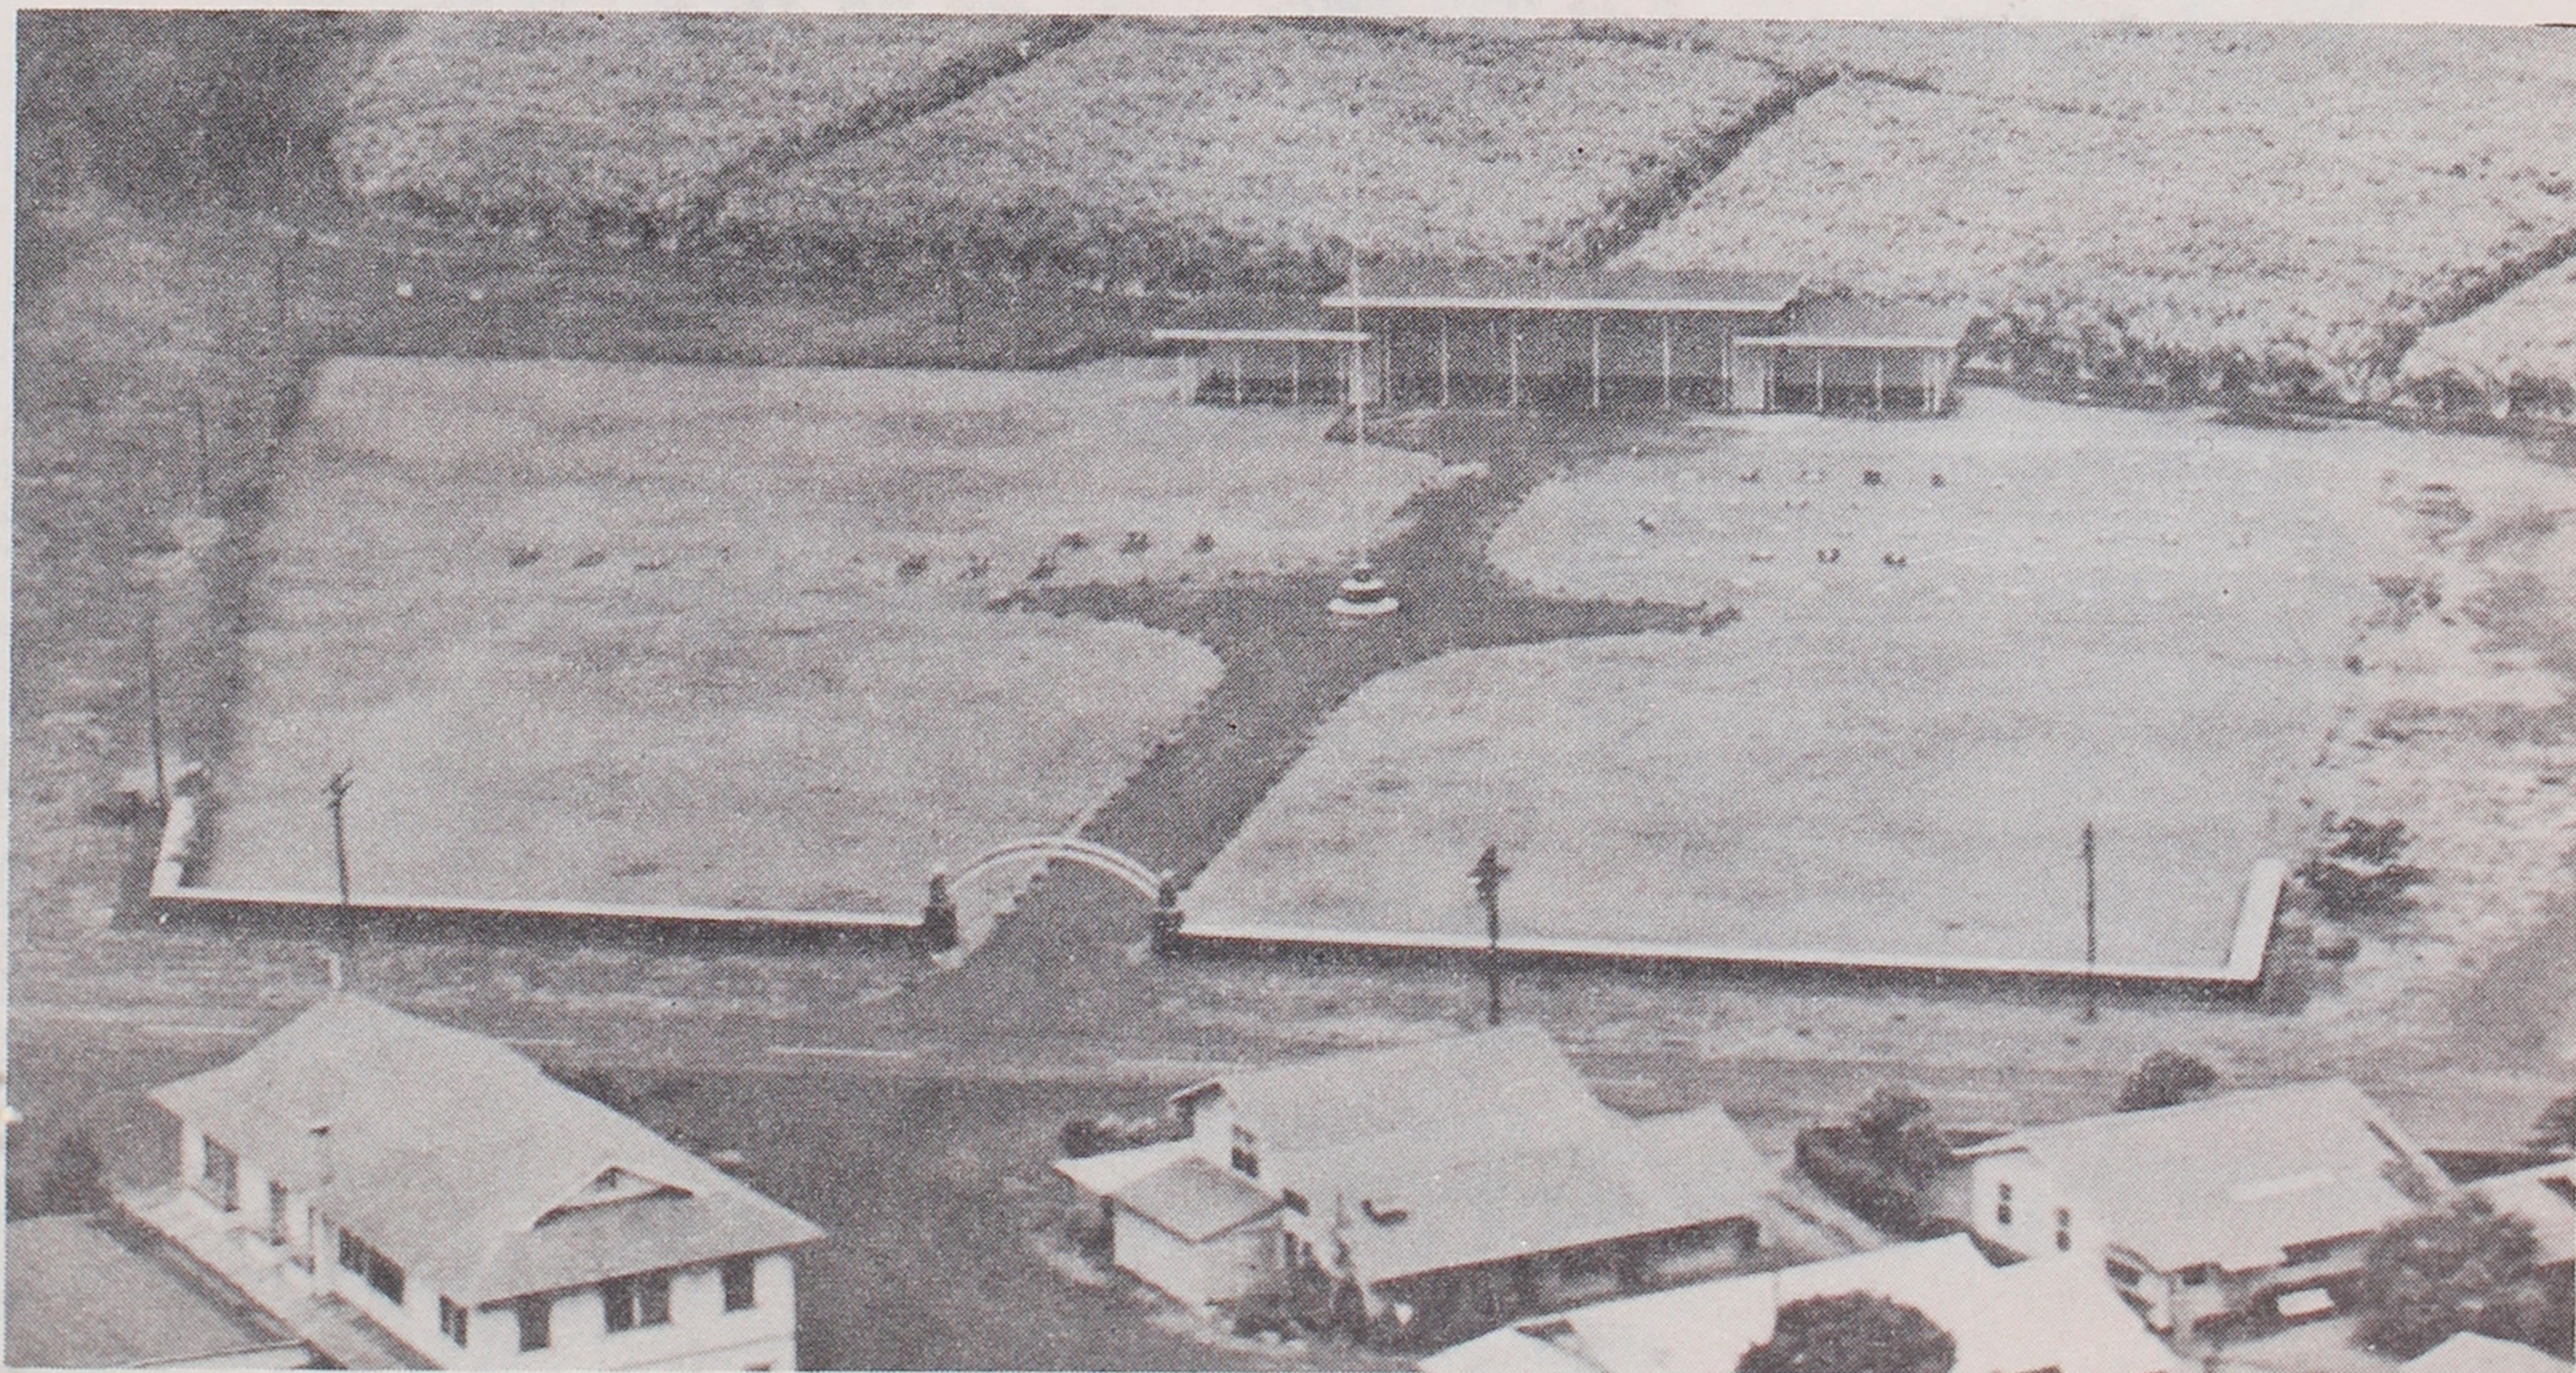

The Kauai 442nd Veterans Club welcomes you to the Garden Island. When plans were first made last year for a national reunion of our Combat Team, the members on this island formally organized the club. The main purpose of the club was to entertain the "kotonks" from the mainland.

Since many of the members were not able to attend the reunion events in Honolulu, we are certainly glad to have you visit us to renew acquaintances.

We hope that your visit here will be a pleasant one--one that you will long remember.
