Dear Bill;

We are quite settled in our stable in Tanforan.

We have a three room stable on the same ~~bar~~ barrack as Asa Fujie. Right in the next barrack. David Hideo Saito is living.

All of Oakland, Hayward, Berkeley, ^{Rich., San Mateo} & parts of S. F. are here. Practically all of our family's friends are here.

Every Thursday they have a talent show in main building. Only way we can get in is by going early. Goro is the whole show every time.

On Saturdays there is a dance in the main building but it's too crowded to dance.

I guess papa told every-
thing in his letter so I'll
tell you what we ate today.

For breakfast:

Toast with Apple Butter

Corn Flakes " Sugar & milk

Coffee

Mush

Lunch:

String Beans

Carrots

Fried Squads

Swiss Steak

Bread

Tea (ice)

Dinner

Cold meat

Bread

Squid Salad

Tea
