Dear Billy —

Thank you so very much
for the sweater Gee! It's
so pretty — really
I've been wanting a
pink sweater so badly

for I haven't one of
that color, & now you've
sent me ~~what~~ I've
wished for a long time.

Eddie was so glad
about his shoes I
think he'll write
you thanks. He hesitates
to wear it around
camp. It just fits him

to a T.

As for Dad & Dan
I really can't suggest

any thing definite
may be for Pop
a nice fur lined
glove & Dave
a ~~pair~~ plaid
wool shirt to go
with navy blue.

Everyone home is
healthy & happy. I
hope you'll always
be okay. Glad to hear
of your promotion. Love
Thank again Carol
