

Hiya Bill

3/1/43

Did you make the trip  
okay? Hope Fred is feeling  
better now.

Bill I just found out  
Daisy's birthday is next week.  
So can you buy something for  
her with the money I gave  
you. Forget about my things  
I'll get those later when I  
get paid again. I thought  
maybe a ladies wallet  
"Finesse Gardiner Register" a  
something like that will be  
swell. Maybe you can find  
something better in the P.X.  
I'll leave it up to your  
choice. If you need more  
money I'll send it later.

Thanks -  
Marsh -
