Howdy Private Iino

Remember me? I'm the man who
trys to get around but doesn't.
Dad it certainly is good to hear
from you. Jay and Leahy both have
written to you haven't they.
Guess the only way the old gang
to get can get together is by corres-
pondence.

Probably you have heard all
these news but no harm in
repeating just in case. Mitzy Yamanite
is now engaged to Hazy Oshide, a
Galo Alto fella; Lilli and Nagao are
now man & wife; Berkeley and other
parts of Alameda county is being
evacuated to Sanjoran; Archie
Tomita S.M. boy is in Colorado. Claim
to have had one date already; Yeh
Lajimoto is at Santa Anita - likewise
Chiy Titans and Mr & Mrs Yoshigawa
Mushita; Yours truly had one date
since I quit school — Guess
thats about all.

Don't know much about Willie's
love life Bill except that he took
Minnie to the last Assembly dance.

Didn't take any graduation
picture for the Blue & Gold. However
did take a couple which cost me
exactly \$1.00. Gave one to my folks as
a present and one to Jay in exchange
for hers. Can't afford to get anymore
but if I manage to get enough
capital would like to get you & Selby
one and Willie too. Certainly will
appreciate a picture of you Bill -
bet it's a hunkin'ger.

Not doing much now - working
on and off. A few of my brothers
customers haven't paid their bills
so I get a commission collecting
them. Collected \$50 today and with
a 10% commission gives me \$5.

Man as I feel prosperous.

Say Billie do you think it
is possible for me to have any
female platonic friends? Jayko
and Selby both seem to agree that

it is impossible for me to have even one. Now it is my contention that I many platonic friends ~~and~~ in skirts - although not all of them are - Don't you agree Billie. Thanks I know you would. Bill de pel - de pel - if you do agree with me will you be so kind as to tell "Sara". If not ~~it~~ ~~is~~ ~~not~~ ~~the~~ word.

By the way Sara tells me your one of the few "nice" boys that say flattering things and certainly makes her feel grand. Atta boy Bill.

Heard from Willie and Sahy and they their social life doesn't seem to be any better than ours.

Just heard from Will today and seems his going to a dance - good stuff. Man I haven't gone to a dance since I left school.

Bill Sasagawa dropped in
this morning. He's going to Infran
with the Fisco group. Claims
to have some job in the Recreational
Department.

No other interesting news now
Billie so I'll close. Will let
you know where we go but it'll
probably be Infran. Behave
yourself Billie and carry on for
the rest of us.

Aufwiedersehen
