Ah! ah! ah!, Billie: look at the letter I have just received. What a fun!...I think my own letter runs along the world.⁴⁸ May be I'll receive it someday, may be never...How giddy⁴⁹ you are; but don't be too much shamed. I know such a thing happens fairly often and even that happened to my mother... And I have something very funny to tell you at your first coming⁵⁰ about nearly the same adventure.

Sincerely,

Suzanne
