

May, 25<sup>th</sup> 1945

Ah! ah! ah!, Billie : look at the letter  
I have just received. What a fun! ---  
I think my own letter runs along the  
world - May be I'll receive it someday,  
may be never. --- How giddy you are;

but don't be too much shamed. I know such  
a thing happens ~~pretty~~<sup>fairly</sup> often and even that happened  
to my mother ----- And I have something very  
funny to tell you at your first coming about nearly  
the same adventure. —

Sincerely  
Suzanne
