

she is always talking about you. I have received too, one long letter from Suzanne in Paris and she talks about you also.

I received your Christmas Card, and I tell you all my thanks.

I hope that sometimes, you shall write a little, to your old friends in France.

I close my letter for to-day in sending to you through the blue heaven all my friendship and my best thoughts.

Receive the best remembrance from my Mother and Father, who speak very often about you.

Your sister of Nice. (France)
Annie

Nice, le 3^e Janvier
1916.-

France.

Wallo Billy!!!
O.K.!!!

Dear my Dearest Brother Billy,

Dear Brother Billy I am very sorry for don't written to you rather but I hope that you shall understand me.

First, I wish tell you and send to you all my Best wishes for the New Year, I hope that 1916 shall bring to you and your family, happiness, health and every-

thing that your heart likes. My
Mother and Father also join all
their best wishes with mine. We hope
that you had good time for Christmas
this year.

For me, I was very busy because
Tom is come to Chice on the 14th of December
and he is left only yesterday. I was
so much happy and surprise that
you must guess, Dear Billy, how
much ~~was~~ busy I was. Tom has tell
me finish my work, and with all this
I write only now to my Brother, but
I hope that you shall forgive me soon.

Dear Billy, as you guess, we
shall get married with Tom in one

month, Tom must come back in about one
month and he hopes get 3 months vacation
in three, I don't realise too much still now
so much I am happy. I was a little bad
sorry with him, because I found that he
has changed a little since that he is in
Italy, I know how much bad this place
is for the boys also. I was more quiet when
you were with Tom all the time.

Dear Billy, I have had very, very glad if
you had been still in Chice for come to our
marriage this shall be very well and Tom and
me very, very happy.

But, I guess that you must be very
happy now that you are "at home"
and with your family. I hope that you
are always in good health.

I see, I go very often to the Dances and
