

I am very happy you are always with my Sam
and you stay with him. That is very good, because
you are reasonable and I know you give nice advice
to him.

So, I must close my letter for to-day and
I go write to Sam.

My mother and father send to you their
best remembrance and very good thoughts and
also no forget you.

I transmit to you my best regards
and all my sympathy.

Saturday afternoon

My dear brother Billy,

To-day I was just writing one letter to
you when I received an other sweet letter
of you.

I am very happy to be reading you
and received good news of my friend and brother
"Billy".

Yes, Billy I will to be your sister, that
is fine for me because I am alone in my

family and I go write to you same what one sister can write. This afternoon I stay home for write to you and my Tom.

I am very happy that you are in good health and not on the front-lines.

With my mother and father, we talk very often of you and Tom, and about the wonderful time we have spent together. You and Tom miss too much, too much at me and my family and now my family think "American soldiers are very, very good boys."

I am happy for you, what you had received beautiful letter of Suzanne and Jany!

I have seen Suzanne in the Red Cross and we have talk about you, she is a very nice girl and I know she write often to you.

And Jany? I think you must be very happy received "one thousand of kiss" and also a few tired... oh, la la! maybe you shall prefer no received on the letters but in reality and I am

sir you think somewhat me.... if you return in Alice you shall be very busy...

I pray all the days for the war finish very soon and you return quickly where your heart like to stay. You know, I pray often, for my Tom stay good, no forget me and come back soon to me for to be happy all the time. I love too much my Tom and I wait until he return here.

Now, the weather is very fine in Alice, the sun shine burning and already some people go swimming, American soldiers also are on the beach. If you were here, we could spent together beautiful time with bicycle, swimming. It's very bad you are not here with me, but "Dont la guerre".

I hope you have good news of your brother on the front and I am very sorry that your youngest brother comes in the Army now. When this terrible war shall be finish? Very soon I hope.
