

May 16, 1945 - Wednesday evening, Nice – (A.M.) France

My dear Brother Billy,

I am worry in this moment because I have not¹¹⁴ letters of my Tom and also of my brother Billy. I hope with all my heart that you are still in Europe and what¹¹⁵ you are not leaving. I was waiting with impatience the end of the war in Europe, and now I am more worry what¹¹⁶ before because I am thinking all the time, where you are going now? I hope you are not going to the Pacific. I hope so what you have received my letter and you are always in good health. What are you doing now? Where are you? My dear brother Billy I am sorry because I not write often to you, but I hope what¹¹⁷ you understand me. You know what¹¹⁸ I work in the day time and what¹¹⁹ I have not too much time for me. I write to my Tom and you know that is enough long for me, but I never forget you and with my mother and father we speak very often about you. My family shall be very, very happy to see you again. I see Suzanne often in the Red Cross and we talk about you also. I hope and pray what you and my Tom shall come spend seven days of holidays here with the U.S.R.R.A. I think all the American soldiers must come. This shall be very wonderfull and we shall can have still one very good time, we shall go swimming and bicyclette,¹²⁰ dance, too many good things. My Tom is one very good boy, he writes very often to me. Now I have not letters since nine days but I think it's the mistake of the Post-Office and not my Tom who forget me. I miss my Tom too much and I love him with all my heart, I hope and pray what the destiny shall be good for us, and never shall separate us. In Nice, the weather is very nice but already too much warm, same in the summer, too many people go swimming. I am go one time only because I have not too much time for this. I hope what you have good news of your brother and of your family. I hope so what you are not too much sad and that the war go finish quickly in the world. I hoping receive good letter of you soon, I must close
