

Edward Moran, Editor
English Section
The New York Nichiei

Dear Mrs. Moran,

Congratulations and a Thank You on becoming the new editor, English Section, the N.Y. Nichiei. I, personally, have felt isolated from N.Y.C. since the deletion of the English section, last year. The newspaper puts me in touch again.

Our first request is the item for the Cultural Calendar: Garden Tour, May 14, 1988, sponsored by the J.A.C.h. to benefit redress and the organization's work in civil and human rights.

Enclosed are, also, flyers and a report of the gardens and of the landscape architect, Kenji Domoto. This was submitted to the Pacific Citizen with a photo, two weeks ago. If the information in the report can be printed for added publicity, we would appreciate it. Would a photo of Domoto or a garden be useful?

As I have no command of the Japanese written language, would you please present this material to Mr. Shiro Kida for publication in the Japanese section?

The J.A.C.h. and, in particular, the Garden Tour Committee are elated over the timely return of the English section and are grateful for your assistance in reaching out to the Nichiei.

If there are any questions, please contact me at [redacted]

Thank you very much.

Sincerely,
(Mrs) Yumi Tsukada
JACH Garden Tour Committee
