Re: "N.Y. JACH Schedules Garden Tour
Fund-raiser for Redress and JACH"

Would appreciate the immediate publication of enclosed article with photograph of Kaneji Domoto, landscape architect, and the publicity item for the P.C. Community Calendar, May 14.

It is urgent for: delivery date of Pacific Citizen to New Rochelle, Westchester County is usually 2 weeks after publication date; participation by Metropolitan N.Y. Asians on committees is needed; and a longer time period for inquiries regarding tickets/transportation is desirable. As you know, the deletion of an English section of the N.Y. Nichibei has reduced critically our communication capacity.

If there are any questions, call me at (914) 633-7209. Thank you very much for your early attention to this request.

Sincerely yours,
Yuriko Tsukada

Re: "NY. JACL Schedules
Garden Tour."

From: Yuki Tsukada
Garden Tour Committee

Enclosed are flyers for the Garden Tour. It briefly describes the landscape architect's gardens and the purpose of the fund-raiser.

I am sorry I was unable to enclose it with the express mail which I hope arrived by the following day.

The Nichi-Bei English section as of April 14, '88 is now resumed.

Thank you for whatever you are able to publish in the coming issue of the Pacific Citizen.

Sincerely yours,
Yuki Tsukada
