Dear Yuri & Rick,

A "GARDEN TOUR" of Westchester gardens by Landscape Architect, Kaneji Domoto, will benefit the efforts toward redress and the work of the New York Japanese American Civil Liberties Organization. A sneak preview of one of Kan Domoto's gardens after our meeting will, I hope, entice you to join us.

We will need immediate and urgent help from many of you in the Westchester area, and some from NYC, NJ, and Ct. Please come and have a simple lunch before the meeting at my home on Saturday, March 26, 1988, at 11:30 a.m. It will be the first and only meeting. All other work will be done by committees. We will need important and valuable input from all of you, and your suggestions.

A suggested agenda is as follows:

Introductions

Overview of purpose and plans

Overview of gardens open to tour

Committee reactions, suggestions and decisions.

Formation of committees:

Publicity; Hosting; Transportation/Parking/Traffic Control

Ticket Sales; Signs; Invitations to patrons; and others as determined to be needed.

Time lines

Garden preview treat.
