MR. KANEJI DOMOTO: P.O. BOX 262: ALBERTSON: NEW JERSEY

Dear Mr. Domoto: As soon as you can come to have an interview with Mr. Wright we hope you will arrange to come. The sooner the better because we are eager to carry on our work as outlined in my letter to you.

If you will let me know exactly when and how you will arrive in Spring Green I will arrange to pick you up there and bring you out to Taliesin which is about four miles out in the country.

Sincerely,

Eugene Masselink
