Dear Mrs. Sumida: I apologize for not having written you for a long time. I hope you are all very well. I thank you very much for your kindness to Teru and Tami. How is Mr. Sumida? I hope that he may be released and return to you soon.

Should we be permitted to be repatriated, we expect to go to Japan, but I don't know yet for certain. Please give my kindest regards to Mrs. Takei and Mr. Nakayama. Murata ojisan is getting along fine.

Sincerely yours,

Hiroshi Suzuki
