

日本軍部指導者は畏敬の念をもって大東亜決戦部隊が精銳であると言ひ振らして來ました大東亜決戦部隊の目的は日本の今迄の損害を補ひ又聯合軍を太平洋かう追拂ふ事とした又君達は大東亜決戦部隊が無敵であると印象つけられて來ました然し今少し好く考へ見給へ日大東亜決戦部隊は分迄米國の前進を喰止めた事がありません何故でせうか？

軍備のよく整った米國軍に比べれば日本軍は餘りにも貧弱なりです如何に強くても日本の雀二羽が二羽の米國の鷲に勝つる筈がないのです

諸君目を覺しよく考へ見給へ!!
 日本内地に居る軍部指導者は現在日本が如何に弱いかといふ事を知らず度くないのです幾何大なる事を言つても貧弱で劣等を武器糧秣を補ふ事が出來ない

Up to the present, the military leaders of Japan have reverantly remarked that the Greater East Asia Suicide (Shock) Troops were composed of hand picked men and their objective was to replenish the damages inflicted on Japan and eventually expel the Allied Forces from the Pacific. You have been coaxed along with the impression that the Greater East Asia Shock Troops were invincible, however let's stop to think this over a little bit!! Up to now, there hasn't been a single incident where the G.E.A.S.T. were successfully in checking the advance of the American Forces. Why is this?

In comparison to the superior armaments possessed by the American forces those possessed by the Japanese forces are far inferior. No matter how powerful they may be, two Japanese planes can't possibly defeat 20 American planes. Open your eyes and think a little !!

The military leaders on the mainland are concealing the fact that the Japan of Today is extremely weak. No matter how boisterous and boastful they may be, it is impossible to replenish the inferior and limited amount of equipment and fuel!
