Friday afternoon

Tarna —

This afternoon I came
to the Music Hall
to see Carman Amaya
the gypsy dancer.

I came so early
that the gates were
not open, so I sat
on a park bench
across the street.
The weather is beautiful
and the sky is so blue.
~~The~~ leaves are
rustling around in the
wind, and a rather
degenerates woman
beside me is feeding
peanuts to the pigeons.

An old man across
is feeding a squirrel, and
the squirrel looks so cute
eating nuts with both
hands. Smoko
