

Notes for Tomah's Book.

At the dining table in the hospital - girl says to me, "There is milk for small children, nursing mothers, and pregnant women - want some milk?"

At Puyallup old man and women quarrel day and night. Boys in apartment next door finally stop arguement late one night by taking sides and quarreling violently among themselves.

Six year old looks up at Prof. B.F. Farguharson during departure from Seattle and says, "You going to Puyallup with us?"

B.F. "No sunny I'm afraid I can't go with you."

Boy. "Gee aint you sorry you are'nt Japanese?"

Block "Santa Claus" at Heart Mountain with painted face, padded stomach and full black beard (authentic) frightens the little children more than he amuses them.

Freyt of Tenner rookets allow parents to buy their own films sent ahead to me by mail. Every thing

What a mess the children are & how

At the dining table in the hospital - girl says to me, "There is milk for small children - nursing bottles, and frequent women - what some milk?"

At Puzosellup old men and women - general day and night. Boys in apartment with their finally stop argument late one night by taking sides and quarrelling violently among themselves.

Fix you the look up at Prof. B.F. Fagundes being departure from Seattle and says "You going to Puzosellup with us?"

B.F. "No coming in about 9 and 10 with you."  
Prof. "See what you say you are in figure."

Black "Banta class" at West mountain with painted face, padded stomach and full black beard (artificial) fighting the little children were then be amused them.
