

adoni -

It is - Taly

when I was being - cont

were you for blight my vision

blight on ^{best serving} me with a more so with a day

To look at the sun moon fills me with a
instincts that give me a headache on state me to
travelling when I get the computer ^{one} Italy with
every tree. Indeed, it is not my ^{one} Italy with
So I often put the ground ^{one} Italy with

Respectfully. In to come back

your my hands let us down

& again with me

It is at this ^{little} that I think,

Do it not a ruin of the soul that stakes me so?
